

500 KM
ALCAÑIZ

V-LINE.ORG

Once again V-Line Org is pleased to organize the 500 kms of Alcañiz, endurance test to finish a season of competition. The career approach will not change from previous editions, so each team will compete within their categories, grouped according to the performance of different vehicles. This way everyone will have the incentive be measured against his opponents.

We have no doubts that the 2011 edition looks very exciting and we look forward to your participation.
